

Greenhill Village Society (Local History Group)

As a consequence of the DVD 'Growing up in Greenhill', it was felt that the interest it created should be harnessed and a local History Group formed. Hopefully, an historical database will be created which will be located in Greenhill Library as a point of reference.

Although the DVD concentrated on the actual village, the group anticipate widening the remit to include adjacent areas e.g. Westwick, Old Greenhill estates, Meadowhead etc.

A number of people have made contact to share their memories and are providing material for a 'Memory Book'.

The inaugural meeting was held on Tuesday 24th November, when we had a vibrant and enjoyable meeting – formalising the group and suggesting topics of interest, generally getting to know one another and sharing memories.

The next meeting will be on Tuesday 12th January 2016, 2.00 – 3.30 in the Library, when we will be bringing along old photographs of the area to share with the group.

Several topics have been suggested which could be researched either as small groups of individuals or as a whole group project. It is hoped to have 2 or 3 open meetings per year, where guest speakers who have specific areas of knowledge will be invited to speak to the group.

The next objective is to network friends and neighbours who may be interested in joining us.
